
Radio 4VEH

La Voix Evangélique

BOITE POSTALE 1
CAP HAITIEN, HAITI
WEST INDIES

Dear QSL Listener,

"Hello" from the "Little Switzerland of the Caribbean!"," so called because of its many mountains. In fact, the very name, "Haiti," means "Land of Mountains."

Thank you for your reception report which tells us how our signal is heard in your area. Our studios are located at Vaudreuil, five miles south of Cap-Haitien. Programs are sent over FM link to our transmitters at Petite Anse, east of Cap-Haitien. We generate our own electricity with diesel engines. We broadcast in two languages simultaneously.

Regular monitors help us to know better how our signal reaches different areas. Would you like to be a Monitor?

Several DX'ers send to DX Stamp Service, 466 Weaver Rd., Webster, New York, 14580, U.S.A. for stamps and enclose for return postage. This helps your letter to get out faster.

You may hear your name when you listen to "The Listener's Post". See the enclosed program schedule for the time.

Radio 4VEH first went on the air June 2, 1950. May this be the greatest year yet! Keep your reports coming.

"God proves His love for us, in that while we were yet sinners, Christ died for us." (Romans 5:8)

Sincerely,

Mrs Ragsdale

(Mrs.) Linda Ragsdale
QSL Secretary
